**RE: LEGISLATIVE CHANGES EFFECTING NONADMITTED POLICY FEES**

On March 11, 2011, the Mississippi Legislature passed House Bill 785. This bill was passed to conform Mississippi's surplus lines statutes to the requirements of the federal Nonadmitted and Reinsurance Reform Act ("NRRRA"). The NRRRA's goal was to make the surplus lines market more efficient and more uniform on a national basis.

In order to satisfy the uniformity requirements of the NRRRA, House Bill 785 extends the nonadmitted policy fee, or as it is commonly referred to, the Windpool Assessment Fee, [Miss. Code Ann. § 83-34-4 (Supp. 2010)] to all surplus lines insurance policies written in Mississippi. Until the passage of House Bill 785, the nonadmitted policy fee was required only on real property and content risks. The 5% nonadmitted policy fee will now be imposed on nonadmitted insurance policies for any and all risks located within this state placed in the nonadmitted market. The imposition of this fee only applies to new or renewal policies; no midterm adjustments are required.

The extension of the nonadmitted policy fee to all risks in the nonadmitted market became effective on March 11, 2011. The Department expects full systems compliance for the collection of this fee by June 1, 2011.

**In an effort to comply with House Bill 785, MSLA's functionality will be ready on June 1<sup>st</sup>.**

**MSLA is reprogramming the on-line filing system (SLIP) to assess the 5% nonadmitted policy fee to all risks - on all new and renewal policies - with a policy effective date of 6.1.11 and later. Please note that the extension of the 5% nonadmitted policy fee assesses all premium AND fees (broker fees, etc). Endorsements to policies will not be assessed (under the new rule) in SLIP with an original policy effective date before 6.1.11.**

**Policy extensions extending the original term of the policy are considered renewals and not an endorsement of the original policy.**
